

Moving through May 2026

Connecting our Communities
Sponsor Pack

Make a
difference.
Get involved!

We need your support

Our Group wide fundraising campaign – Moving through May is back for 2026!

Moving through May is our annual fundraising campaign, and it's also a brilliant opportunity to get Kier Group and our supply chain colleagues moving, having some fun and connecting with others during the month of May.

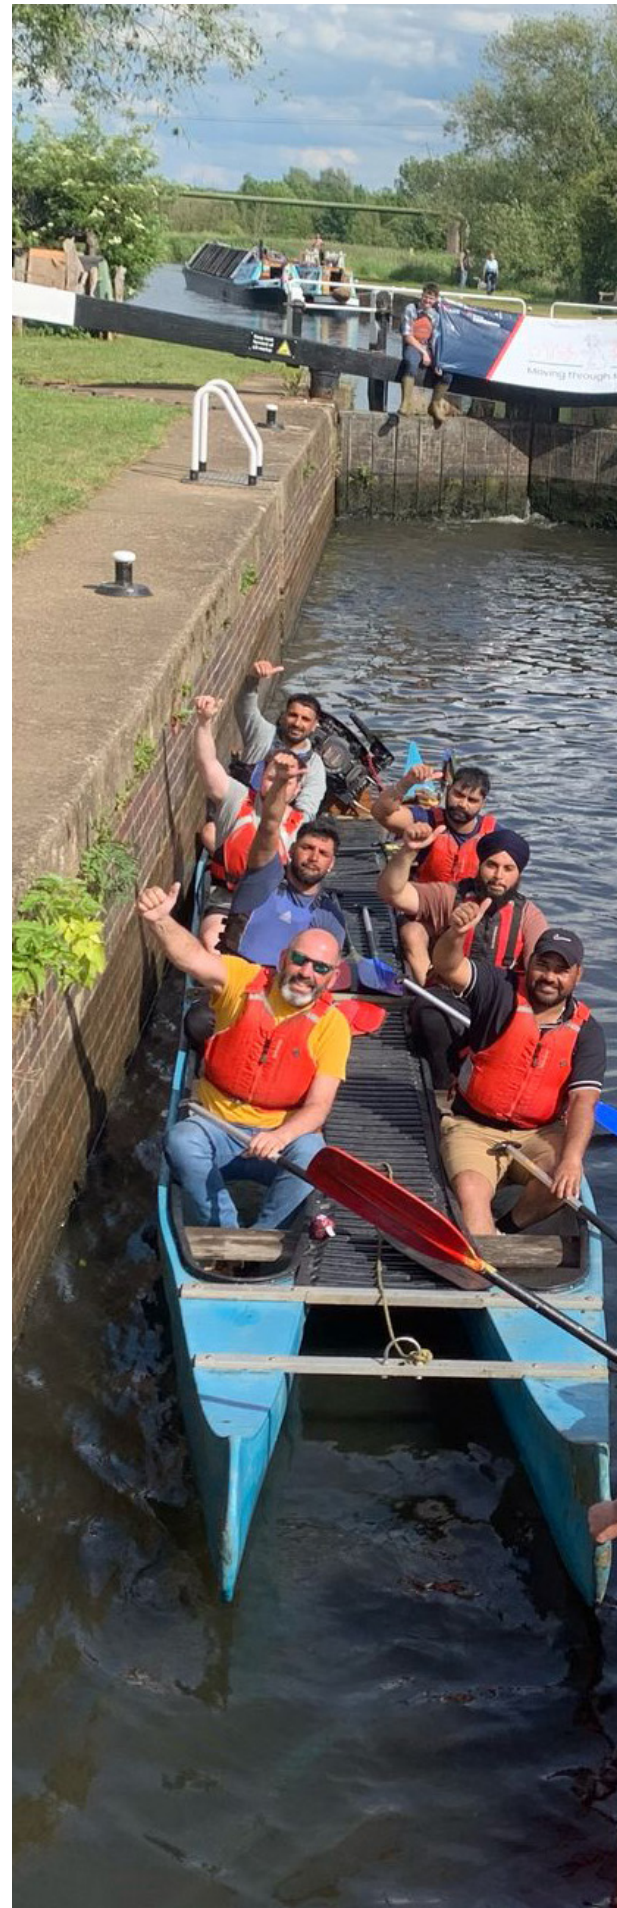

Once again participants are challenged to cover the distance by foot, on a bike, by water, or whichever creative way they can, by non-motorised transport.

Fundraising and regional charities

Moving through May is our biggest fundraiser for the Kier Foundation, our stand-alone charity. All funds raised will be split between selected local charities and Kier Foundation, to support the current Group charity partner, [Action for Children](#)

Could you pledge your support?

Your support is invaluable, and we would love you to join in with the activities and – if you're able – to sponsor the challenge and help us maximise the support we can give to the charities.

With your help we can make a greater impact on the charities that need it most.

We are aiming to raise £150,000, and are looking for companies to partner with us by becoming sponsors of the initiative.

You can show your support in a number of ways.

Sponsor the challenge

Choose one of our sponsor packages and pledge your support.

Sponsor an individual or team

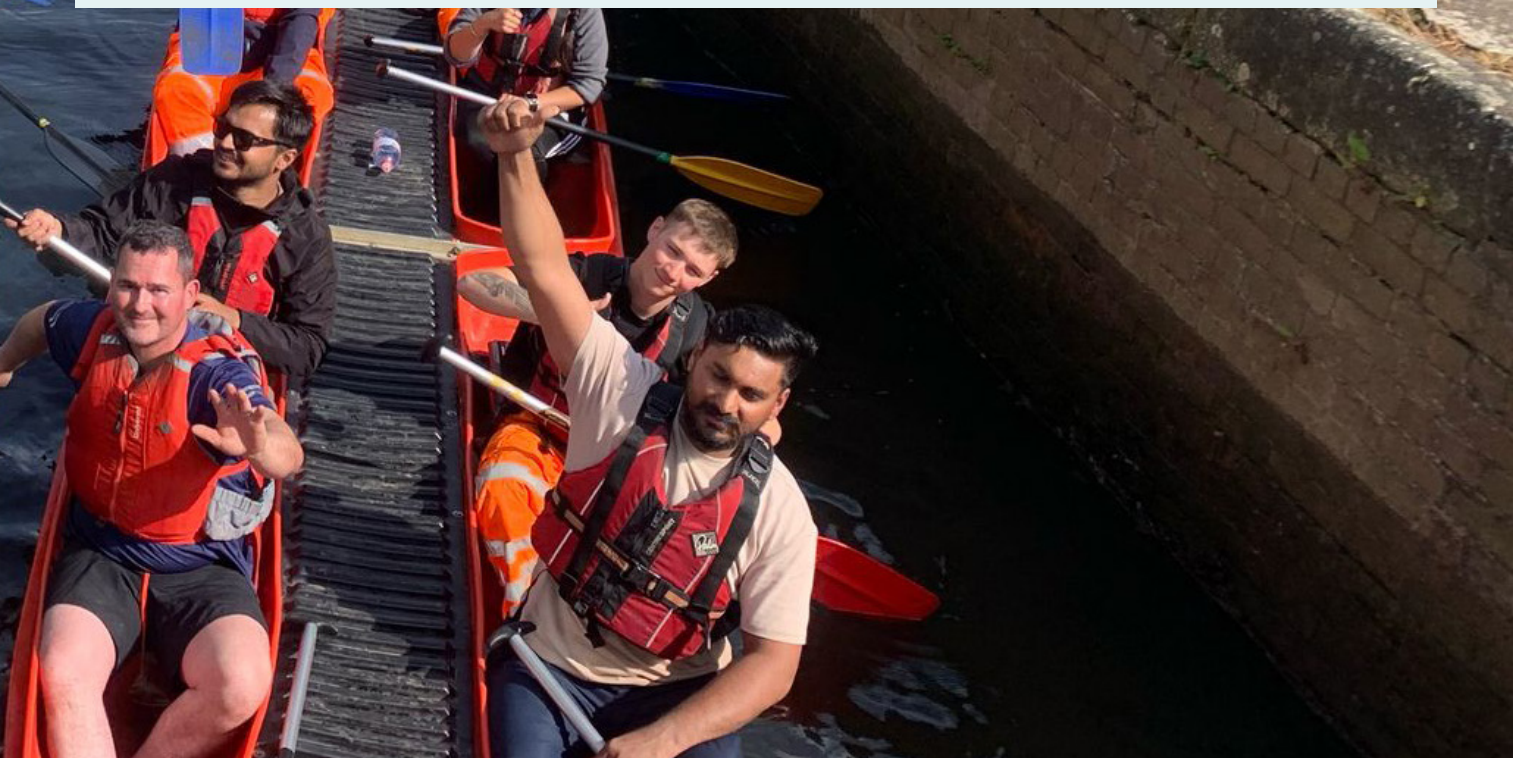

If you know someone taking part, sponsor their progress or make a donation on their online giving page.

Take part

Register your own team, join us and fundraise too!

Register [here](#) from 14th April

Any way you can help will make a difference, thank you for your support!

The Kier Foundation

Helping Kier people make a difference

The Kier Foundation is an independent registered charity that helps our people support a variety of charitable organisations throughout the UK.

Since its launch in 2012, it has donated more than £3 million to charitable causes – and we think that’s a pretty awesome achievement!

**KIER
FOUNDATION**

Find out more about
The Kier Foundation here:

www.kierfoundation.org

So, how does it work?

The purpose of the Kier Foundation is to:

- **Manage Kier Group’s corporate charity partnership.**

Every two years, we choose a charity partner voted for by our people, who benefit from fundraising activities we hold during this time.

- **Harness social impact**

We support our people by aligning with charitable causes that are close to their hearts and the communities in which we operate.

- **Promote employee engagement**

We bring our colleagues and communities together during their fundraising activities – and have a lot of fun in the process!

- **What happens to funds raised for the Kier Foundation?**

As well as supporting the official Kier Group charity partner, we support lots of other charities that are close to our people’s hearts through our match funding schemes.

Our businesses can apply for up to £5,000 for community projects they are supporting, while Kier employees can apply for up to £200 twice per year to match money they’ve personally raised for charities they hold dear.

Raising money for good causes

Together we can make a huge difference to the lives of those that need it most as well as focusing on our own health and wellbeing.

We are aiming to raise £150,000 for good causes through this year's event.

Each region will have local charities they will be supporting through the initiative.

These charities will be selected by Kier colleagues across the regions, giving you the reassurance that every donation made will go directly to causes close to our hearts.

This year we are also encouraging people across Kier Group and our supply chain partners to join forces with other teams in your area to organise and participate in a local activity.

From 14th April 2026 further information can be found [here](#).

How to get involved

Flexible challenges – Choose your challenge, your way! Pick from three set distances or set your own goal. Log steps, runs, cycles, or swims from anywhere through our online platform.

Community and client engagement – We are encouraging teams, clients, and supply chain partners to get involved to raise funds and take part. The more the merrier!

Love healthy competition? – track your progress. Whether it's distance or fundraising, our leaderboards will show how individuals, teams and regions are stacking up.

Strength in numbers

The more participants, the greater the impact, please join us to make this year's Moving through May even better!

Sponsorship opportunities
